NEW Industry Partnership

EASCO ANNOUNCES OEM AGREEMENT WITH CARLIN BURNERS

Bronx, NY (November 20, 2001) -- EASCO Boiler Corporation is pleased to announce its new relationship with Carlin Combustion Technology, Inc.

Recently named as the newest manufacturer to enjoy an OEM arrangement with Carlin, EASCO will now feature Carlin on their fine line of field-erected and packaged firetube boilers. EASCO will also be stocking over 35 models of Carlin burners sizes 20 BHP to 80 BHP at their factory office for packaging for EASCO UL-listed field-erect and packaged firetube boilers.

EASCO Boiler Corporation is a division of Eastmond Corporation - located in the Bronx, NY - and are manufacturer's of quality packaged firetube boilers, UL listed field-erected boilers, mobile boiler rooms and complete boiler room services.
